Procedures for Submitting Presentation Abstracts

1. **Virtual Sessions** — The MORS Symposium includes two days of Virtual presentations on 22-23 July 2015. All deadlines and procedures for Virtual abstract submissions and presentations will be the same as those for the in-person 22-25 June 2015 portion of the 83rd Symposium. When submitting an abstract, submitters will be given the option to submit for virtual presentation or in-person or both. You may submit the same abstract for both virtual and in person; you will be instructed to make two separate submissions so that each one can be scheduled separately.

2. **In-Person Abstract Submissions** — Abstracts for presentations offered to working groups should be of interest to a specific working group. Abstracts for presentations offered to composite groups should be broad and of interest to each of the working groups assigned to the composite group. Abstracts may be submitted to up to two in-person Composite, Working or Distributed Working Groups. You must make two separate complete submissions so that your submission may be considered by each group separately.

3. **Abstracts** — All abstracts (limit 250 words) should be submitted through the MORS “Presenter Center” site at [www.mors.org/Events/Presenter-Center](http://www.mors.org/Events/Presenter-Center) Once you are on the site please follow the instructions provided. The abstract disclosure process will be included online during your abstract submission. The abstract MUST be Unclassified and Approved for Public Release; Distribution Unlimited.

4. **Notification** — If you are not notified of acceptance or rejection of abstracts offered for presentation at the 83rd MORSS by 30 March 2015 please call the WG or Session Chair(s) directly with any questions.
