GOVERNMENT – MORS Form # 226-B
MORS Personal Security Voucher Instructions

Instructions

1. From the standpoint of security, MORS symposia are conducted by the Military Operations Research Society pursuant to the provisions of the DoD National Industrial Security Program Operating Manual (NISPOM) and are supervised by the OCNO, N81. The scope of the forthcoming symposium was published in an unclassified Announcement distributed separately.
2. Only US citizens who are employees and direct consultants of the US Government shall use this voucher. It shall be addressed to the OCNO, N81, an agency of the US Government.
3. All of the following conditions must be satisfied for all prospective attendees:
 - a. *The attendee MUST be a U.S. Citizen.*
 - b. *The attendee must have a current security clearance of at least SECRET.*
 - c. *The attendee must have a certified need-to-know justifying access to SECRET information.*
4. MORS requires a photographic identification card, which can be recognized at a distance of 3 feet. The electronic photo should be a passport-type photo. The image of the person should be at least one-inch high and be current and distinct. The electronic photograph may be black & white or color. The background should be plain.
5. **DoD CAC cards may be used as your photo ID at the 79th MORSS. Please check the appropriate box at the top of this form.** If you do not have a DoD CAC card then a MORS Photo ID card is required, applicant should email an electronic photograph to the MORS Office at 79MORSS@mors.org along with your name.
6. Hand carrying of classified documents to and from the forthcoming symposium via commercial passenger aircraft is normally prohibited. Exemptions require specific authorization as indicated in Chapter 8, DoD Directive 5200.1R.
7. Submission of this voucher does NOT automatically imply an invitation to attend the symposium.
8. All of the blanks must be completed with a felt tip pen or typed. The Military Operations Research Society is not prepared to research missing or ambiguous information.
