PART 2 – CONTRACTOR ABSTRACT FORMAT and REQUIREMENTS (Rev 10212007)

- The abstract **MUST** be approved for public release, distribution unlimited and exempt from export licensing and other approvals under the International Traffic in Arms Regulations (22 CFR 120 et seq.)
- The following must be listed with the abstract: Principal author, co-authors and their contact information.
- The abstract should not contain formulas or references and should not exceed 450 words. It should convey the scope of the presentation and give as much information as possible. It will normally outline the purpose and method of the work and detail important findings and conclusions.
- If you are completing Part 1 of this form, please make sure that the title of your presentation is the same as the title on MORS Forms 712 A/B.
- An abstract ID number must be identified on this form for processing. This number was assigned to your abstract when it was originally submitted to the Call for Presentations site.**
