

Military Operations Research Society

West Point Chapter

**Major Brian Layton
Cadet David Pigott**

**Department of Systems Engineering
United States Military Academy
West Point, NY**

1

AGENDA

- Membership
- Activities
- Additional Benefits of MORS
- Future Development

2

Membership

- **We have approximately 30 cadets on our rolls.**
 - All classes, OR, SE, and ISE majors
- **To prevent conflict with INFORMS, we see our ideal strength at 10-15 cadets.**
 - Small dedicated group
 - 3 to 5 individuals from each class (sophomore – senior)
 - Concentrate on OR majors

3

Activities

- **Host guest speakers**
 - Land Warrior System
 - Army Transformation
- **Meet to examine relevant applications of OR in the Army**
 - Future Combat System
 - More Transformation
- **MORS Conferences and Cadet Project Presentations**
 - Naval Post Graduate School
 - University of Virginia
 - West Point

4

Additional Benefits

- **We host several team building events each semester.**
 - Army Football BBQ/Tailgate for the D/SE community
 - Bowling Social
 - **We offer an environment for leader development**
 - Supporting independent project teams
 - Leadership within the MORS organization
 - **Provide resources for continued work in OR**
 - “Systems” / MORS Library (*Under Construction*)
 - Peer review and feedback
-
-

5

Future Development

- **Create relationships with OR Firms around West Point / New York City.**
 - **Increase the number of MORS sponsored events each semester both OR related and Community Support Activities.**
 - **Ensure active interaction between the West Point chapter of MORS and its parent organization.**
-
