PURPOSE OF VISIT (Subject to be Discussed):

To attend the 86th Military Operations Research Society (MORS) Symposium. To exchange information, examine research and discuss critical national security topics with professionals from military, government, industry and academic ranks to share best practices and networking.

The 86th Symposium is scheduled 18-21 June 2018 in Monterey, California at the Naval Postgraduate School. Conducted at the classified and unclassified clearance level with FOUO options. Corresponding portions of the Symposium are open to U.S. Citizens with or without a clearance and cleared "Five EYES" (FVEY) participants with some restrictions.

CONDITIONS & LIMITATIONS:

- The recipient of this visit approval notification letter is required to disseminate the disclosure restrictions contained herein to the host(s) of this visit.

Please Submit Request via Embassy
Foreign Visit Request Guidance

- Disclosures should be limited to oral/visual only. All disclosure is limited either to that which has been previously approved for release/disclosure to [insert country of origin], or if not previously approved for release to [insert country of origin] reviewed by a Designated Disclosure Authority within your chain of command and subsequently approved for release.

If documentary release is required, other than that information which has been approved for public release by appropriate officials, a Designated Disclosure Authority (DDA) within your chain of command must approve the release.

- Disclosures will be limited to only that information necessary to meet the requirements and scope of the identified program, and/or stated purpose of this visit.
