MORS Sustaining Contributor Form

As part of our 2019-2020 theme of “Multi-Discipline Analysis in National Security” and our desire to encourage the work of our Society’s Junior Analysts, this year’s contributions will go toward the Eugene P. Visco Prize. The purpose of this prize is to promote collaboration between the international operations research community and MORS by providing two high quality Junior Analyst presentations selected at the annual Emerging Techniques Forum (ETF) to the annual International Symposium on Military Operational Research (ISMOR). This prize will provide Junior Analysts the opportunity to present at the ISMOR, held in the United Kingdom each summer. Each selected presenter will be provided admission to the ISMOR as well as housing and travel expenses. There are four donations levels outlined below.

To contribute online, visit the MORS website at https://www.mors.org/Recognition/Eugene-P-Visco-Prize and click on the “donate” button. If you would like to send a check, please send check payable to MORS with “Visco Prize Fund” in the notes section along with this completed form to:
